

## Occupational Driver's License Education (ALR)

To obtain an occupational driver's license, some courts require completion of a driver awareness class that covers Texas DWI laws along with brief education about alcohol and drug abuse. The 4-hour Genesis ALR Program satisfies this condition.

It is ONLY for obtaining an occupational license prior to adjudication of the offense following an ALR suspension.

**Offered on the following Saturdays from 9:00 AM to 1:00 PM:**

**January 19, 2017**

**May 13, 2017**
